A woman with blonde hair, wearing yellow safety glasses, a white and black striped long-sleeved shirt, and tan protective sleeves, is smiling while working with a glass rod. She is holding a blue metal rod with a pink and white spiral glass piece attached. The background is a blurred workshop or studio.

Bespoke 1:1 Courses
Groups & Parties

Both from £60

GIFT VOUCHERS
£20-£120

Courses run throughout the year and are a great opportunity to create unique glass art or gifts!
Fun and designed for families, artists and groups alike. Taught by Max Lamb (RCA) & Dr Wilkes (UCL).
Suitable for children aged 5 and up, accompanied by adults. No experience required.

"Well organised, good instruction, very friendly. We really enjoyed the experience"
(Norfolk Deaf Children Society)
