Covid Course Booking Instructions

Please read the below instructions that all customers will need to adopt. Teaching glass courses involves close contact, heat and sharing of tools. Our workshop and equipment are Covid compliant, and the teacher will be wearing a mask, using antibacterial hand gel and sterilised equipment. We follow government guidelines and our own risk assessment and mitigation procedures.

Day of Course – Covid 19 Rapid Lateral Flow Test

On the day of the course and prior to attending, each person must do a LFT. This is required in line with government guidelines and teaching glass making.

Order Test

A rapid lateral flow test is a coronavirus test you do yourself. It shows you the result on a handheld device within 30 minutes. Order using the link below. You can also get free LFT from chemists and libraries.

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Report Test Result

It takes approx. 5 mins to perform the test and within 30 mins provides the result which you then report to NHS. The NHS reply normally within 5-10 mins email and text the person the result report. Each person prior to attending the course must email the NHS result to info@saltglasstudios.co.uk. Use the NHS service link below:

<https://www.gov.uk/report-covid19-result>

Please arrive 5 minutes before the course start time and follow the below:

1. Check in using the T&T code
2. Wear a face mask and use antibacterial hand gel and wipes
3. Bring your own drinks and refreshments
4. SALT has the right not to provide courses if guidelines are not adopted

Data protection Test data is treated confidentially under 'data concerning health' for the purposes of the GDPR as 'Special Category Data' & will not be used or shared for any purpose, other than if required with the NHS Test and Trace and Public Health England.
